

RE-ROOFING INFORMATION

ARCOM approval must be secured prior to a Building Permit being issued. In the case of an exact replacement, **in lieu** of ARCOM approval, proof may be submitted in the form of a **photo** of the existing roof and a copy of the **manufacturer's brochure** for the replacement roof.

A building permit application must be completed.

All work must be in compliance with the Florida Building code 2018 edition. If the house was **built before March 1, 2002** and the value of the house is \$300,000. or more, **retrofits of the roof-to-wall connections are required** as per Rule 9B-3.0475, Mandatory Hurricane Mitigation Retrofits.

Notice of Acceptance must be submitted for all materials.

Revised June 2018
