

E-books and Audiobooks

Dear J. Turner Moore Memorial Library Patron,

Your Manalapan Library has now joined with libraries throughout the county to provide you with the ability to download e-books, audiobooks, and other digital media from our library's Overdrive powered website. It's a virtual branch of your library. You can enjoy best selling and classic books on your PC, Mac, or Smartphone and transfer books to your iPod, eBook Reader and many other devices. Using your Library Card ID #, you can access the digital media through the link below.
