Dear Residents of the Town of Manalapan,

On behalf of Flamingo Plumbing & Backflow, we would like to formally introduce ourselves and our company. We have been contracted by the Town of Manalapan to inspect and certify all the backflow prevention devices. We are honored for the opportunity to provide professional service to your town, and your residence. Here at Flamingo Plumbing we are available 24/7 for any plumbing issue you may have. As our company slogan goes, **"If water runs through it, we can do it!"** We would love the opportunity to serve ALL your plumbing needs.

Flamingo Plumbing & Backflow Services has been in business since 1992 and we pride ourselves on providing exceptional customer service from start to finish. Our team of experienced professionals are dedicated to exceeding your expectations with integrity, fairness, and quality craftsmanship. Our entire team is background checked and drug tested to ensure the safety of our valued customers.

Our goal is to always alleviate any stress our customers may encounter and make this a seamless process. In the event your backflow device fails inspection, or any plumbing needs arise, we are licensed and insured to fix, repair, or replace any plumbing issues you may have.

If you have any further questions, please do not hesitate to contact our office at (561) 448-3200 or visit our website at

There you will also find a PDF containing most of our frequently asked questions pertaining to backflow prevention as well.

If you see our white truck with the Big Pink Flamingo, please say **"Hello!"**
We look forward to working with the delightful Town of Manalapan.
